CartManager XD & XD+

Moving Cart Retrieval Forward

MANAGING CART COLLECTION SAFELY AND EFFICIENTLY

The CartManager XD and CartManager XD+ cart retrievers are retail productivity solutions that help make shopping cart collection safe, easy and more efficient. Benefit from increased cart availability and a clutter free parking lot with one of Gatekeeper's solutions tailored for your store's varying needs.

GATEKEEPER SYSTEMS

THE LEADING PROVIDER OF INTELLIGENT CART SOLUTIONS

In the past, safely retrieving carts meant time and labor intensive cart collection.

On average, retailers utilizing CartManager XD solutions report reducing labor hours by 50 percent, leaving employees available for store operations and to customers.

SHORTENS COLLECTION TIME

Large quantities of carts can safely be retrieved at once with the CartManager XD.

EFFORTLESS RETRIEVAL OF LARGE OR HEAVY SHOPPING CARTS

Using the CartManager XD+ you can easily retrieve over 30 carts at a time or 1,500 pounds, reducing strain when retrieving large or heavy shopping carts.

LONG LIFE BATTERY

The battery can operate continuously for up to 12 hours on a single charge.

TOUGH CONSTRUCTION

The sturdy construction and heavy tread tires allow carts to be retrieved in the most undesirable weather including rain, sleet, and snow.

PARKING LOT INCLINES ARE NO PROBLEM

The CartManager XD+ is ideal for stores with unconventional parking lots like those with steeper grades.

CART INVENTORY IS MAXIMIZED

The ENTIRE fleet of carts can be unloaded from the CartManager XD, maximizing inventory.

QUICK STOPPING POWER

The emergency stop button on the unit and another on the remote control brings the carts to an immediate halt, ensuring safety when encountering unexpected parking lot obstacles.

SAFETY STROBE, BRAKE LIGHT TOWER AND HORN

Visibility is maximized and parking lot accidents are minimized.

EASY TO USE

With a push of a button, the simple one person operation reduces labor costs.

UNCOMPLICATED REMOTE CONTROL

Buttons featuring icons make cart retrieval simple for any employee.
